Information Collected

The CADALOG service may collect basic account information such as name, email address and company information when users create an account.

Usage Data

Technical data may be collected including IP address, browser type, operating system and usage statistics.

Payments

Payments are processed by Stripe. CADALOG does not store credit card data

.

Purpose of Processing

Data is used only for operating the CADALOG service, managing accounts, processing subscriptions and improving the platform.

Legal Basis

Processing is based on contract performance, legitimate interest, user consent for analytics and legal obligations where applicable.

Data Retention

Personal data is retained only for the time necessary to provide the service

and comply with legal requirements.

User Rights

Users may request access, correction or deletion of personal data by contacting

support@cadalog.pt

Changes

This policy may be updated periodically. The latest version will always be available from the CADALOG website.
